Attention: [redacted]

Gentlemen:

There is enclosed a copy of the Auditor's Report on Audit

[redacted]

The Auditor has determined that total cost of [redacted] was

Attention is invited to the Auditor's comments regarding

with the subcontractor and affect settlement of the subcontract.
In the event the services of this subcontractor are required in
the future, these items and particularly the use of designers
as qualified consultants should be carefully considered.

Very truly yours,
